

## BABY AND CHILDHOOD VACCINE FORMULARY

effective January 2024

**Please note the following:**

- **This formulary is only applicable to the Plus Option.**
- The Society will only pay for the vaccines listed on this formulary from the applicable benefit.
- This formulary represents baby vaccines covered by the Society and which are subject to applicable benefits and limits as specified by the Society for your benefit option.
- The examples below serve as a guide on the trade names available for the active ingredients listed and not for marketing a specific brand.

**IMPORTANT: Please note that the medication on this list is published on an annual basis. Medication and prices are subject to change based on new clinical information and/or pricing updates which may not be reflected on the list below.**
